Pica 10-Plastic	This paragraph was printed by a PICA 10 plastic printwheel. Comparison of this paragraph with the one printed by the PICA 10 metalized printwheel shows some minor differences which exist between plastic and metalized printwheels of the same type style. These differences are typical also for the other type styles.
Pica 10-Metal	The paragraphs shown here display some of the many popular type styles available on Diablo and Xerox printwheels. Many of these styles are available in all of the different sized character sets (88, 92 and 96 characters). Diablo also offers many other type styles and character sets for printing with a distinctive appearance, and for special applications.
Titan 10	The paragraphs shown here display some of the many popular type styles available on Diablo and Xerox printwheels. Many of these styles are available in all of the different sized character sets (88, 92 and 96 characters). Diablo also offers many other type styles and character sets for printing with a distinctive appearance, and for special applications.
Elite 12	The paragraphs shown here display some of the many popular type styles available on Diablo and Xerox printwheels. Many of these styles are available in all of the different sized character sets (88, 92 and 96 characters). Diablo also offers many other type styles and character sets for printing with a distinctive appearance, and for special applications.
Vintage 12	The paragraphs shown here display some of the many popular type styles available on Diablo and Xerox printwheels. Many of these styles are available in all of the different sized character sets (88, 92 and 96 characters). Diablo also offers many other type styles and character sets for printing with a distinctive appearance, and for special applications.
Master 12	The paragraphs shown here display some of the many popular type styles available on Diablo and Xerox printwheels. Many of these styles are available in all of the different sized character sets (88, 92 and 96 characters). Diablo also offers many other type styles and character sets for printing with a distinctive appearance, and for special applications.
USA Spokesman 10	THE PARAGRAPHS SHOWN HERE DISPLAY SOME OF THE MANY POPULAR TYPE STYLES AVAILABLE ON DIABLO AND XEROX PRINTWHEELS. MANY OF THESE STYLES ARE AVAILABLE IN ALL OF THE DIFFERENT SIZED CHARACTER SETS (88, 92 AND 96 CHARACTERS). DIABLO ALSO OFFERS MANY OTHER TYPE STYLES AND CHARACTER SETS FOR PRINTING WITH A DISTINCTIVE APPEARANCE, AND FOR SPECIAL APPLICATIONS.
